REPLENISHING BODY LOTION / LOTION POUR LE CORPS REGENERANTE

200 ml / 6.7 fl. oz

UK

Product type: Replenishing Body Lotion.

Description: Formulated with a unique blend of Oat Lipids, Linseed Extract and PHA's, Replenishing Body Lotion renews skin texture, enhances elasticity and replenishes lost moisture for skin that is left feeling smooth and deeply hydrated. 98.2% Natural.

User instruction: Gently massage a generous amount of Replenishing Body Lotion into damp skin following your shower or bath, working in upward strokes to boost blood flow and improve circulation. If applying to dry skin, allow additional time for the body lotion to absorb.
